## Suffolk Registry of Deeds.

BOSTON, June 23d, 1892.

The Board of Aldermen of the City of Boston, acting as County Commissioners for the County of Suffolk, by orders approved by the Mayor April 13, 1880, Dec. 19, 1882, Oct. 14, 1884, Dec. 22, 1886, and by an order passed Jan. 2, 1889, in answer to the petitions of Edward S. Rand and of William I. Bowditch and many other members of the Suffolk Bar, authorized the printing of the first, second, third, fourth, and fifth volumes of Suffolk Deeds.

By an order approved by the Mayor Dec. 23, 1890, the Board of Aldermen authorized the Register of Deeds "to have printed, stereotyped, indexed, and distributed the sixth volume of Suffolk Deeds." The order was passed in answer to the following petition.

*To the Honorable the Board of Aldermen of the City of Boston:*

The undersigned, members of the Suffolk Bar, and others, having already called the attention of your Honorable Board to the worn, mutilated, and illegible condition of the early records of deeds of the County of Suffolk, as set forth in their former petitions, respectfully represent that said records can best be preserved by printing the same.

Wherefore they pray your Honorable Board to order that the sixth volume of records of Suffolk Deeds be printed verbatim.

This book has been printed from a transcript made by FRANK E. BRADISH, Esq., who has carefully compared the proof sheets, not with the copy, but with the original, in order to avoid the possibility of clerical or typographical errors.

The index to this as to the volumes previously printed has been made under the supervision of JOHN T. HASSAM, Esq., whose great interest in these ancient records and whose earnest efforts for their preservation have been heretofore acknowledged by me.

## INTRODUCTION.

---

On the fly-leaves at the beginning of Lib. VI. of Suffolk Deeds, Edward Rawson, the Recorder, has copied a letter of attorney from Barbara Laycocke, widow of John Laycocke, to him dated Sept. 7, 1667, which the County Court had ordered him to record in the "booke of Reccords for deeds & Such like things," but which he had neglected to enter, it "being," as he says, "forgot to be put in its right place & being misplact in my privat letters." These fly-leaves are not numbered in the original, but in the printed volume they have been marked with Roman instead of Arabic numerals in order to distinguish them from the others.

The book itself begins with the deed from Richard and Mary Hutchinson to Eliakim Hutchinson, which was left for record Feb. [     ],<sup>1</sup> 1668, and which was duly attested by Edward Rawson the Recorder. He continued in office until October, 1670, when the General Court at its second session held in Boston Oct. 12, 1670, passed the following "Order requiring y<sup>e</sup> secret. to deliiv county records to clarke of y<sup>e</sup> County Court."<sup>2</sup>

"The County Court of Suffolke, for reasons best knowne to themselves, saw good to improve M<sup>r</sup> Free Grace Bendall as

clarke of the said Court, in stead of M<sup>r</sup> Rawson, ordering the said M<sup>r</sup> Rawson to deliuer unto him all those things w<sup>ch</sup> did concerne him in that place. The Court being informed that there are yet still in his hands seuerall reecords that concerne the county, it is ordered, that the said M<sup>r</sup> Rawson deliuer the same to the clarke of the County Court."

The last instrument of which the record is attested by Edward Rawson is the marriage contract of Zachariah Whitman with Sarah Alcock which was left for record Oct. 26, 1670, pp. 243-246 inclusive. Page 247 is blank. On page 248 is the mortgage deed of Joseph Rock et ux. to Thomas Brattle recorded Jan. 13, 1670/71, the record of which is attested by "Free Grace Bendall Cleric."

Thus ended the official connection of Edward Rawson with these County records, although he continued to hold the office of Secretary to the General Court. As he had been appointed by the General Court Oct. 14 or 23, 1651, "recorder for the county of Suffolke"<sup>1</sup> to succeed William Aspinwall, his term of service had lasted for nineteen years, a longer period than that of either of his predecessors.

All the deeds received for record from Jan. 13, 1671, to April 29, 1672, are attested by Freegrace Bendall, Clerk. He also attested two other instruments left for record May 22d, and June 7th, 1672. But all the other deeds from May 22, 1672, to Oct. 15, 1672, when this volume ends, are attested by "Isaac Addington Clerk" or "Isaac Addington Recorder."

The pagination of the original is irregular. There are three pages numbered 1 and two pages 31, 84, 199, 200, 201, and 202. In the printed volume, as heretofore, they have been distinguished from each

<sup>1</sup> Mass. Col. Rec. III., 258; IV. (Part I), 68.

other by the use of the letters a, b, etc. There are no pages 4, 99, 100, and 256. Page 247 is blank as has been before stated. As in the volumes already printed, the pages of the original volume are indicated by numbers placed at the top of every page of the printed volume, and also in brackets in that part of the printed page where each page of the original begins. There is no other pagination and the Index is thus made to refer directly to the pages of the ms. record.

The reader is again reminded that, according to the Julian Calendar, which was in use when these records were made, the legal year began on the 25th of March, so that when the month is designated by number and not by name, March is the first month.

A key to the characters representing the contractions found in the manuscript is added.
